Dear Sir/Madam,

Re: Approval for the Use of PADFSG Logo

On behalf of the Pan African Diabetic Foot Study Group, I am pleased to grant formal approval for the use of the PADFSG logo in relation to the Professional Diploma in Diabetic Foot Management conducted in Egypt under the leadership of Professor Dr. Mohamed Sharkawy.

This approval is granted in recognition of the academic integrity, scientific quality, and clinical relevance of the Diploma programme, as well as its alignment with the mission and objectives of PADFSG in improving diabetic foot care and preventing avoidable amputations across Africa.

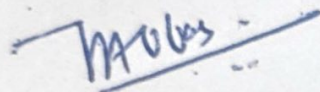

The use of the PADFSG logo is permitted strictly for academic, educational, and professional purposes associated with this Diploma programme and should be
